A T MY OLD STAND, 1232 LINDEN ST., A Memphia, Tennessee. I will superintend and give my entire attention to the mann-facture of this justly celebrated and most wonderful labor-saving Cotton Press. In the last two years I have sold this Press to many old experienced cotton planters, to whom it has given such universal and entire salisfaction that it would now be superfluous in me to say more than pledge myself that, this year, the Cheek Cotton Press shall be fully equal, if not superior, to those I sold last year. Suffice it to say, that in baling on this press you are rid of much laber, many difficulties, and a wast smount of annoyance that you have when baling on any other press, to say nothing of the humbug tricks.

All orders for the Cheek Cotton Press mus be addressed to Form, Portus & Co. He mphis, Tennessee.
